Fructa Trade opened a new administrative building and logistics center at the Derventa industrial zone in northern Bosnia. The logistics center spreads over 10,000 sqm, while the administrative facility covers 1,800 sqm. Fructa is planning to expand its activities in the region and will hire about 50 people to staff its new center. Established 25 years ago, the company currently employs more than 1,200 people and operates 41 stores in the country.
