

Boats to ease traffic congestion around Kotor Bay

10:45 2019-07-17

CIJ Serbia

Documents attached:

Eco-friendly boats will offer a new public transit option around Kotor Bay along the Montenegrin coast starting next month. The initial phase will include connections between Kotor and Herceg Novi. An additional eight boats will be added by next year in an effort to reduce traffic jams. The boats will be routed between Kotor, Perast, Tivat and Herceg Novi. Bela Boka is investing €5m in the project.
