Panattoni Europe has started construction of its newest project, Panattoni Park Warsaw South Janki. The distribution center will offer 70,500 sqm of total space. The park will target Small Business Units with a minimum size of 900 sqm. Rohlig Suus Logistics has already leased 48,500 sqm including 36,000 sqm of high-bay warehousing space, a 10,000 sqm cross docking center and 2,500 sqm of office space. Completion is planned for the end of 2019.
