Documents attached:

FlexLink Systems Polska has extended its lease on 19,000 sqm of warehouse and office at Segro Logistics Park Poznań. The producer of automated machinery for factories, warehouses and offices has been a tenant at the logistics park since 2012. The property is located 10 km from the center of Poznań, near the village of Komorniki, next to the A2 motorway and the National Road No. 5 between Poznań to Wrocław.
