Mindspace has opened a 2,000 sqm co-working space in Bucharest Tower Center near Piata Victoriei, owned by Globalworth. It's Mindspace's company's second investment, following its first co-working facility, which it opened at Globalworth Campus in Pipera. The new co-working space includes both working and lounge areas, as well as 23 private offices. Mindspace operates 28 facilities in major cities in the United States, Great Britain, Germany, the Netherlands, Poland and Israel.
